Christ the King School:

We are in the middle of our St. Vincent de Paul can food drive fundraiser. Last year we exceeded our school goal and collected over 4,000 pounds of food and expect to achieve this feat again. Students are visiting the pantry throughout the month and studying the topic of hunger to further explore and understand this important social justice issue. The Catholic Identity and preschool surveys are still available for our school and parish community members to complete. They can be found on the home page of the school website and hard copies are located in the back of the church. Please spend a few minutes to take each survey to help us plan and respond to the needs of our community. *God Bless, Chris George - Principal*
