

Christ the King Altar Server Schedule

– May and June 2017

* **Lead Server:** with any starred assignment, be sure to find another lead for a substitute. Some Mass groups for this schedule specify two lead-level servers instead of one, either because the 1st lead is relatively new or because of brand-new servers scheduled in the group.

+ **New Server:** May only serve in slots marked with + except with permission from Janice Donahue or Barb Bryan. (They may have anyone substitute for them, however.)
